

TOWN OF ROSS
COMMUNITY WORKSHOP
on the
HILLSIDE LOT ORDINANCE and
HILLSIDE DEVELOPMENT REGULATIONS

Thursday, January 7, 2010
7:00 p.m. to 9:00 p.m.
Marin Art & Garden Center, Livermore Pavilion
30 Sir Francis Drake Boulevard, Ross

Councilmember Michael Skall and the Town of Ross invite you to attend the second public workshop on his 2009-2010 Council goal of reviewing the Town Hillside Lot Ordinance and other hillside development regulations.

Come join us for a summary of the major issues raised at the last public workshop and to receive information on the history on the hillside development regulations and the estimated development potential for the remaining vacant lots in Town. We would like to make sure all issues have been raised regarding the current regulations before we move ahead, and discuss next steps. We have invited former Council members to attend and share their input.

There will be additional public hearings and opportunities for public input and comment. The summary of major issues and other information for this meeting and the prior public workshop, including the summary of major issues and the meeting minutes, are available at the Town website: http://www.townofross.org/pages/town_council/hillside_lot_ordinance.html.

Written comments are also welcome. For more information, please contact:
