

Agenda Item No. 17.

To Mayor and Ross Town Council
From: Pat Thompson, Interim Town Manager
Re: Appointment of Alternate Town Representative to the Ross Valley Paramedic Authority
Date: February 3, 2012

Town Council is being asked to appoint a Ross resident to serve as the "Alternate Member" to the Ross Valley Paramedic Authority Board of Directors. The Ross Valley Paramedic Authority (RVPA) is formed under a Joint Powers Agreement (JPA) between eight member agencies. Each of these agencies appoints a board member. The board elects a President and Vice President. The Authority provides for Advanced Life Support paramedic services to the communities who are members. They do this via a contract with Marin County. Bruce Hart is our longstanding board member who attends regularly. However, there are occasions when he cannot make a meeting and the Alternate would attend.

Attached are the responses from the following residents interested in serving as an Alternate:

Linda,

I have been a resident of Ross for almost 28 years and part of the group that is working with the towns of Ross and San Anselmo to address several issues with Bolinas Ave. that seems to be in the final stretch. This would be a great opportunity to do something for the community and to give something back to the town. I do not have any medical training but did server 2 years in the Navy.

Subject: RE: New Ross Alternate Member Needed for RVPA

I am interested in being Bruce's alternate.

After almost seven years in London, I am returning to our home in Ross at the end of this month. We have lived in Ross since 1983 and while I have been posted in London, I have never lost touch with Ross or the community. As Wells Fargo is headquartered in San Francisco, I have traveled back frequently for business and for vacations and holidays, always staying in Ross.

I am an experienced business executive with a pragmatic approach. I am well-organized and decisive. I understand commitments and timelines. I understand the need for good governance. I am used to working with numbers and within budgets. As the most senior Wells Fargo executive in Europe, the Middle East and Africa, I have had significant experience dealing with many different situations. I would bring a fresh approach to the Board, unencumbered by any past prejudices. Bruce Hart and I know one another and I am quite confident we would work well together.

Most importantly, I want to contribute in some one or another, and perhaps in more ways than one, to the good of our lovely community and this seem like a good way to reengage.

My business e-mail address is petrilla@wellsfargo.com and my personal e-mail is kenpetrilla@gmail.com. My local phone number is 415 308 8233.

Thank you for considering me.
