

# POLICE ACTIVITY REPORT

JULY 2013

## **PROJECTS**

There are several parking and signage issues which are being addressed in town this month. These are some of the proposed changes:

Parking on Redwood Rd will be restricted at specific times due to activities on the common that cause parking congestion. Redwood Rd from the curve at Eddie's to Brookwood will be restricted on weekends and Monday through Friday 3pm to 7pm. Residents and business owners will be exempted by permit. You may obtain a permit (or more than one) through the Police Department.

Laurel Grove Ave at the driveway access road to #49-#69 will be posted for "no Parking Commercial Vehicles." This is because the shoulder of that area has been used by construction companies to park trailers and construction vehicles while doing work further up the road.

Woodside Way will be posted at Madrona Ave with a sign that states "No Outlet" as neighbors have experienced trucks that come into the area and then have great difficulty turning around. One recently struck a parked car and another got stuck in the road for about 30 minutes.

## **TRENDS**

The Police department investigated the possible connection of recent thefts in the Winship Park area to the crimes from earlier this year. The suspect in those incidents had been identified and the family contacted. The family reports the suspect is still in a residential treatment facility in Sonoma County. A suspect was observed leaving the burglary on Wellington. The description is a male, short, dark complexion and left in a dark color SUV. This description does not match the earlier theft series suspect. The vehicle and suspect description was disseminated to Marin law enforcement agencies.

## **PREVENTING CRIME**

Please see the Ross Police website for tips to prevent you from becoming a crime victim.
