WHEREAS, in 2015, the National Park System had more than 305 million visits; and

WHEREAS, in 2014, National Park Service estimates indicate that park visitors spent more than \$15 billion at the sites and in the states and local communities adjacent to national parks; and

WHEREAS, the National Park Service has the obligation to preserve our nation's history; promote access to national parks for all citizens; stimulate revenue to sustain itself and nearby communities; educate the public about America's natural, cultural and historical resources, and provide safe facilities and environs to enjoy these resources; and
