

Chapter 6.04

HEALTH DEPARTMENT*

Sections:

6.04.010 Marin County health department and officer.

6.04.020 Garbage disposal.

6.04.010 Marin County health department and officer. The county health officer and health department shall enforce and observe within the town all orders, quarantine regulations, rules prescribed by the California Department of Public Health, rules and regulations issued under the provisions of the California Health and Safety Code, together with statutes relating to public health, all as the same now exist or as the same may hereafter provide, and the county health officer and health department is vested with all of the jurisdiction, authority and powers which may be consented to, or conferred by, the town in connection with the administration and enforcement of the matters herein referred to. (Ord. 252 §1(part), 1966: prior code §5100).

6.04.020 Garbage disposal. Notwithstanding the provisions of Section 6.04.010 of this code, there is reserved to the town the matter of its own health and sanitation in any area not in conflict with the matters delegated in Section 6.04.010 of this code, together with and including the matter of controlling and regulating the collection and disposal of garbage. (Ord. 252 §1(part), 1966: prior code §5101).

* For statutory provisions relating to the delegation by the town to the county of its health administration functions, see Health and Safety Code §§101375, 101380 and 101400--101425.
