

Dear Town of Ross Residents:

Quick reminder that you're invited to attend the Town of Ross
Facilities Master Plan Open House and Guided Tours

The Conceptual Design Options to be presented offer solutions to address the
Civic Center buildings and site deficiencies

To facilitate effective Town operations and emergency services that can
better serve the community, recommended upgrades include:

- entry drive realignment for improved vehicular circulation and access
- functional reorganization of departments to promote collaboration
and efficient productivity
- accessibility compliance upgrades

Please join us at Town Hall any time between 4:00pm and 6:30pm to:

- learn more about the Conceptual Design Options
- engage in discussions and share your thoughts
- support the Town's unique historic presence while embracing
future potential

Please register for the Open House and Guided Tours
of the Civic Center buildings and site
at Eventbrite by scanning the QR code below
