From: Joe Chinn, Town Manager
Subject: League of California Cities Annual Conference Designation of Voting Delegate

Recommendation

Staff recommends the Town Council designate Town Manager Chinn as the voting delegate for the League of California Cities Annual Conference.

Background and discussion

At the annual League of California Cities Conference each year the League members consider resolutions that are to be voted on by delegates from each city attending the conference. This year's Annual Conference is being held as a virtual meeting on October 7-9th. The League of Cities requires each city/town to provide their voting and alternate voting delegate in advance of the conference. The Town Manager will be attending the Conference virtually and it is recommended that he be designated as the voting delegate for the Town at the General Assembly meeting.

Fiscal, resource and timeline impacts
