Hi Town Council,

I'm writing in support of the proposed project at 65 Wellington Ave. My parents live at 5 Madera Avenue and as a local Ross resident, I'm in and out of Winship and on Wellington Ave multiple times a week with my kids.

I can say with 100% certainty that the proposed project will be a great improvement to the neighborhood. Having seen the proposed design, I think the look and feel fits in Ross well and would only serve to augment an already nice neighborhood with incredible charm.

In my experience I have never had an issue with congestion or parking on that street and have noted that it is remarkably easy to get in and out considering the multitude of construction projects.

I hope that you'll grant approval for this project to proceed as we enthusiastically support.

Many thanks,
