**Subject:** 2 Bellagio Road Sport Court Application

## Town Council:

My wife and I are by far the most impacted by the residential construction project at 2 Bellagio Road. Given that the Sport Court as proposed cannot be seen from Bellagio Road or from any of the three existing Bellagio residences due to its location upslope from the road and behind the sizable residential improvements currently being constructed on the very large 3.78 acre parcel, and in the absence of any requested sport court night lighting, we believe there is no reasonable basis for not approving it as designed and without conditions.

Thank you,  
Brian and Marie Collins
