

FOR MEMBER OF THE ROSS TOWN COUNCIL

JULIE A. McMILLAN

Incumbent, Attorney (retired), Community Volunteer

We moved to Ross in 1992, and I remain in awe of Ross' beauty and charm. I cherish its beautiful trees, hillsides, creeks, views, parks and access to open space. We raised our three children here, who all graduated from the excellent Ross School.

After graduating from Stanford Law School, I practiced complex litigation for 15 years.

I have been dedicated to enhancing our community for more than 20 years, holding many volunteer leadership positions, including: Ross School Board (President for 2 years); President, Ross Parks and Recreation Board; president of many countywide nonprofit boards; and CoChair, FireWise Winship Park. I currently serve on the Marin Wildfire Prevention Authority Board and am a UC Marin Master Gardener.

I was appointed to the Town Council in 2017 and elected in 2018. I was Mayor during the first year of the pandemic, helping address novel issues to ensure the Town ran smoothly. While on the Council, I have played a key role in many critical decisions, including emergency preparedness, flood risk, Town facilities, EV chargers, Laurel Grove pedestrian pathway, Branson expansion, opening the redwood area to the Common, and the Three Bear Hut restoration.

If elected, I will continue to enhance our Town and improve safety. I will continue to make decisions in a transparent, fair and consistent manner.
